As a user I want to add more nights to my stay so that I can upgrade my voucher

- User can add more nights in the calendar when selecting a date
- Secondary option to add nights via a call to action adds further encouragement to upgrade
- Selecting a longer date range adds additional nights and upgrades the voucher

As a user I want to view hotels that our not within my voucher limit so that I can upgrade my voucher

- Default sequencing for product listing is to show in-voucher followed by an upgrade
- User can switch to only view upgraded products by using the toggle
- An upgrade banner peforms the same action as the toggle. Upgrade banners appear after the first 2 tiles, then again after every 5 tiles
